Good morning and welcome to Little Perdiswell the home of W.V.F.C. and thank you for taking the time to pick this newsletter up and reading it. As you are probably aware W.V.F.C. ran their first Easter Football camp a couple of weeks ago, I hope all the players enjoyed it and a big thank you to Ben Robertshaw and Mark Bowley for running it as well as to The River School for letting us host it. As the season comes to an end it has been another brilliant season for the club thank you to all the coaches who have volunteered their chilly evenings and cold mornings/afternoons to coach the players who again deserve a big thank you because it wouldn't be possible without them.

Team in Focus: **Hornets**

This weekend's team in focus is the Hornets. They formed in 2011 as U8's. Back then they only had 10 players from 9 different schools. One year later in 2012 there was a splitting up of ages in the Mercian League, this meant that the team was invaded by new players from Perdiswell Primary School. Another year on they were involved in the FA's new policy of non-competitive football up to U13. The current team for this season has 5 Northwick pupils, 5 Perdiswell Pupils, 1 RGS pupil and 1 St. Josephs (Droitwich) pupil. This season the Hornets have been grouped with some tough teams so results have been mixed, however the team have fun and have picked their own positions some games.

Fun Facts: The Hornets are filled with Baggies fans, as well as one Villa fan and interestingly a player who recently chose Bournemouth over Man. United (good choice mate!). The Hornets have never had a proper goalie since their first season. They decide who feels like it on match day. Most players have scored this season.
